Make checks payable and send to: Extra Mile Student Center, P.O. Box 652, Grandview, WA 98930

The Extra Mile Student Center is located at 300 W. 2nd Street in Grandview. We celebrated our ten-year anniversary in November 2021. We have fought to continue operation and are continuing to provide students a safe place to meet and work during the pandemic. Your support helps fund continued assistance to the students in our community. We believe that through your support we will see higher graduation rates, more students enrolling in postsecondary programs, and less crime in our community. We are a 501c3 non-profit corporation. Tax ID 45-3260307

In January 2021, we opened a second hand store that students helped to set up and run. This venture has given our Student Leaders valuable experience in business and retail, provided goods at reasonable prices to our community, and allowed us to donate the excess to organizations serving those in need. This has been a great experience for our students.

For more information, call us at 509-882-0363, email gene@extramilecenter.org, or visit our Facebook page or website www.extramilecenter.org.

There are several special projects we are raising funds for this year:

- Educational Grants to help our students buy books and supplies for their post-secondary education/training.
- Food Program - Meals for tutoring nights and food baskets
- Adopt-a-Family Christmas, STEM Equipment

MISSION STATEMENT:

Our mission is to provide students in grades 7-12 a network of people and resources in a safe and encouraging environment to help them develop and achieve their educational, personal, and career goals.

COVID-19 INFORMATION

Golf remains one of the safe activities to do during the pandemic. We are working with the golf course to create the safest environment possible for our participants. We will avoid close quarter gathering by serving grab and go lunches and handing out prizes on the fly. We appreciate your support and look forward to another great year of golf and raising funds to help students in our community!

BECOME A SPONSOR

Your sponsorship will go directly toward services for students. We have expanded into another area in the Center. We are raising funds to continue our renovation of that space and look forward to finding ways to provide further support for our students. Please consider becoming a sponsor and making a difference in the lives of our students!
